

Old & New

the 1990s, the number of people in the UK with a mental health problem has increased by 50% (Mental Health Foundation 2000).

There is a growing awareness of the need to address the needs of people with mental health problems, and the importance of providing them with appropriate services. However, there is a significant gap between the current provision of services and the needs of the population. This gap is due to a number of factors, including a lack of resources, a lack of training for health professionals, and a lack of awareness of the needs of people with mental health problems.

One of the main reasons for the gap between current provision and need is a lack of resources. There are not enough mental health professionals to meet the demand for services, and there are not enough services available in the community. This is particularly true in rural areas, where there are often no services at all.

Another reason for the gap is a lack of training for health professionals. Many health professionals do not have the necessary skills to deal with people with mental health problems, and this can lead to poor outcomes for patients. There is a need for more training in mental health for all health professionals, not just those who work in mental health services.

A third reason for the gap is a lack of awareness of the needs of people with mental health problems. Many people do not understand what it is like to have a mental health problem, and this can lead to discrimination and stigma. It is important to raise awareness of the needs of people with mental health problems, and to ensure that they are treated with respect and dignity.

There are a number of ways in which the gap between current provision and need can be closed. One way is to increase the number of mental health professionals, and to ensure that they have the necessary training and skills. Another way is to increase the number of services available in the community, particularly in rural areas. A third way is to raise awareness of the needs of people with mental health problems, and to ensure that they are treated with respect and dignity.

It is important to note that closing the gap between current provision and need is not a one-time exercise. It is an ongoing process that requires the continued involvement of all stakeholders. We need to work together to ensure that people with mental health problems have the services they need to live their lives to the full.

As a new requirement for admission to prom, the school has prom peers like Senior Hilary Cherry breathalyzed.

Opposite Page—Clockwise—In order to promote the self-esteem of teenage girls, Team Lead sponsored a new event called Diva Day.

Teachers and students alike had to be completely moved out of the old high school before winter break.

The flooding that occurred in the beginning of the school year took over the gazebo, drowning it in water and resulted in two days of no school.

After the last game at Brickie Bowl, attendees were treated to a fireworks display.

Memories

GREAT EIGHT

American swimmer Michael Phelps made history at the Summer Olympics in Beijing, China, by becoming the first athlete ever to win eight gold medals at one Olympics. During his breath-taking week in the pool, seven of Phelps' eight victories were new world records.

A MORE URGENT NEED

Rising oil prices and continued climate changes made the search for alternative, renewable sources of energy a more prevalent topic of discussion. Solutions like wind farms, using large turbines, became more common.

2008-09 retrospective

HISTORIC ELECTION

Barack Obama was elected the 44th U.S. president, becoming the first African-American person to lead the nation. A record 127 million votes were cast, with about 31.7 million voting early for the first time in 30 states. This also was the longest presidential campaign season ever — 21 months.

WHO ARE YOU?

The fight against insurgents continued in Iraq and Afghanistan. Deployment of American troops meant tearful farewells and joyful homecomings. Sometimes, servicemen returned to meet new family members.

GRIM ECONOMY

Americans felt the recession as foreclosures, layoffs and food prices increased. The stock market's plunge ate away college and retirement investments for many people. The federal government approved a \$700-billion bailout plan to try to get the economy moving.

NO JOKE

Anchored by the haunting, tragic final performance of Heath Ledger as the Joker, Batman sequel *The Dark Knight* shattered box office records. Earning more than \$1 billion, *The Dark Knight* became one of the most profitable American movies ever made.

A LONG TIME COMING

The Philadelphia Phillies won their first season's title in over a century by defeating the Texas Rangers in the World Series. By winning a rain-soaked Game 7, the Phillies broke a two-decade drought by storms, the Phillies ended Texas's hope of going from the worst record in baseball to the championship.

LIVE FROM NEW YORK

Nobody took advantage of the election season more than the sketch comedy show *Saturday Night Live*, which brought back former cast member Tina Fey due to her resemblance to VP nominee Sarah Palin and rode Fey's impersonation to its highest ratings in years.

CHEAPER GAS

After a record high less than a year ago, gasoline prices dropped, reaching a five-year low at the point. Despite falling prices, Americans continued to drive less.

FAR-REACHING STORM

Hurricane Ike devastated Galveston, Texas, and caused damage and power outages in at least 10 states from Texas to Ohio. The southeast U.S. saw gas shortages.

Hobart community dedicates new school

Hobart's young and old and past and present gathered at 2211 East 10th Street, Dec. 14, to witness the dedication of the new Hobart High School.

The program started with a procession of guests and others with music by the HHS band. After the presentation of the flags by the JROTC, Wolfgang sang the "Star Spangled Banner," and representatives of the Class of 2021 said the "Pledge of Allegiance." Afterwards, Senior Tim Staffeld gave the invocation, followed by Principal David Spitzer and Mayor Leslie Gatewood welcoming everyone.

Next, two members of the feasibility committee that recommended the building of a new high school, Mr. John Hevel and Judge James Moody, remarked about Our Community Dream, and Wolfgang sang "A Dream is a Wish Your Heart Makes." Then, Supt Peggy Buffington, who was in the forefront through every stage of the project, received a standing ovation from the crowd before she talked about Hobart's 21st Century High School. She noted, "Students, this day is for you!"

The keynote address was given by Judge Brent Dickinson, who was a member of the first graduating class from the old HHS, which opened in 1958. He praised the technology, which he called "state of the art yet to come," but he also told students they must now play a role in their own education.

Then, the middle school band performed "Believe," and Anthony Gomez, Senior Class president, and Mrs. Lauren Swafford, gave their reaction to the new school. Next, Gibraltar Design and Envoy presented "keys" to school officials.

Then, Mr. Chris King, master of ceremonies, discussed the origins of the Brickie mascot, Yohan, and then Dr. Buffington introduced local artist, Mr. Pete Cortese, before unveiling his Yohan mural on the gym wall. Mr. Cortese also painted the murals in the fieldhouse.

After the band and Wolfgang performed the Alma Mater, Mr. Terry Butler, school board president, spoke about the community input in the school, and then Mrs. Fran Hamilton and Mrs. Linda Buzinec from the Educational Foundation unveiled "A New Day," a painting by Mr. Mitchell Markovitz commissioned by the foundation. The ceremony concluded with the band and cheerleaders performing the HHS Fight Song.

After the dedication festivities ended, those present were offered a tour of the school and football stadium. Also, the Senior Class presented a time capsule for the new school.

"Past, Present, and Future" was the theme for the annual Football Homecoming festivities, which ended in a Brickie win against the Hammond Morton Governors.

Spirit Week consisted of Monday, Past; Tuesday, Present; Wednesday and Thursday, Future; and Friday, Purple and Gold. Also, each class decorated a hallway, with the Seniors winning that competition.

During the pep session, the juniors took control of the coveted "Spirit Brick." During what has now become ritual dance competition, Mr. Mike Black and Mr. Brent Vermuelen, representing the faculty, won first place.

Senior and junior boys took on the job of cheerleading for their teams.

Thespians present 'Twelfth Night'

William Shakespeare's "Twelfth Night" was performed Nov. 13, 14, 15 and 16. "Twelfth Night" is a comedy filled with disguises and mistaken identities about Viola, who has been shipwrecked in a violent storm off the coast of Illyria; in the process she has lost her twin brother, Sebastian. So, to protect herself, she poses as a boy.

Mrs. Vera Cory, recently retired English teacher, provided the cast with much needed background information on the play and "translated" the more difficult and "archaic" parts into more easily understood language, so the audience could better appreciate the action, said Mrs. Cathy Nelson, play director. Mrs. Traci Brumley was the assistant director.

Portraying the characters in the play were Brent Baker, Duke Orsino; Lauren Richter, Feste the Clown; Max Gallivan, Curio; Ruby Perez, Fabian; Chelsea Barber, Valentine; Dave Bednarowicz, Captain; Diane Toth, Olivia; Kevin Nedberg, Sebastian; Lisa Stojanovich, Viola/Cesario; AJ Aubuchon, Antonio; Nathan Allen, Sir Tobey Belch; Eric Elkin, Priest; Dan Coffey, Sir Andrew Agucheek; Mike Lind, First Soldier; Hope Boeringa, Mariah; Amanda Gourlay, Second Soldier; and Makenna Geary, Ensemble/Understudy.

Dances

Cold and snow caused the cancellation of classes Jan. 15 and 16, as well as postponement of the annual semi-formal dance, sponsored by the National Honor Society. However, the dance was held Jan. 23 at the Elks Lodge. The theme for the dance was "A Night in Gotham City." Party favors of glow sticks were dispersed to students when they entered the hall, and they used the shiny glowing objects to adorn their heads and bodies. The semi decorations, consisting of a night scene that was placed on the stage behind the disc jockey, were made by the gifted and talented art class.

For the first time, the new Great Hall was used for a dance after the Basketball Homecoming game. The Booster Club sponsored this dance as well as the Football Homecoming dance which was held in the middle school gym, as usual. Purple and gold were the primary colors for both dances.

Theater debuts with 'Anything Goes'

Spring Musical

Cole Porter's 'Anything Goes' was performed March 13, 14, 20 and 21 in the new HHS theater. The musical follows a young man, named Billy Crocker, who sets sail on a ship to stop Hope Harcourt, the woman he loves, from marrying another man.

The leading roles were played by Brent Baker, Billy Crocker; Nick Trottier, Moonface Martin; Diane Toth, Hope Harcourt; Hope Borienga, Rino Sweeney.

Director Cathy Nelson said she chose 'Anything Goes' because it is traditional and was a great way to showcase the new theater.

Schmelter, Adams are royal couple

Basketball Homecoming

Seniors Zach Schmelter and Sarah Adams were crowned Basketball Homecoming king and queen during halftime of the boys' game Feb. 27. Juniors Frankie Porras and Abigail Lams were crowned prince and princess. The boys lost to Wheeler, 57-55.

At the pep rally earlier that day, the tug-of-war contest came down to the juniors versus seniors. The juniors won but were disqualified because they had too many students on their end of the rope, so the win went to the seniors. The seniors also won the float decorating contest. Each third hour class was able to decorate their teachers' bulletin board, and Mrs. Angela Patrick's class was named the best.

At the pep rally, winter sports athletes were recognized. They were Kaitlin Shocaroff, girls' swimming; Tyler Waldrop and Anthony Gomez, boys' swimming; Alycia Corral, girls' basketball; Bobby James, boys' basketball; Frankie Porras and Johnny Dillon, wrestling; Latisha Casey, cheerleading; and Ashley Earle, gymnastics.

Earlier in the week the faculty won the Student-Faculty game, 89-74.

The emcees entertained the audience between numbers of students performing talent ranging from singing and dancing to enacting a scene from a movie or flag twirling. The show also included a variety of instrumental performances.

HHS celebrates in Great Hall

Junior-Senior Prom

"Dinner at Tiffany's" was the theme for the May 1 Prom, which was set for the first time in the new Great Hall.

However, it didn't look like the place where students eat lunch every day with the decorations based on Tiffany blue jewelry boxes with jewels, orchids and pearls. Also, students feasted on a buffet of assorted appetizers, as well as chocolate fountains with fresh fruits and desserts.

Four hundred tickets went on sale, April 14, but quickly sold out prompting the Prom committee to offer another 50 tickets for sale. The cost of tickets were \$30 for singles and \$60 for couples.

The grand march was in field house at 6 with attendees being announced by Mr. Mark Leto, and then the Prom began at 7. Prom pictures were taken before Prom in the gym by Fox Photography.

Seniors Gina Chiabai and Zach Schmelter were crowned queen and king, with their court consisting of Alyssa Trinidad and Nick Trotter, and Leticia Vallejo and Robert Jorgensen. The princess and prince were Juniors Tiffany Goggans and Edwin Dallas. Taylor Spence and Kory Kowal and Amber Westmoreland and Nikko Davila were members of the court.

Another new feature to the Prom was random alcohol testing during the Grand March and mandatory testing as the students left the Prom.

Gym is site of first commencement Graduation

Mother Nature did not cooperate, and the Class of 2009 was not able to graduate in outside ceremonies in the Brickyard. So, the first graduation in the new HHS took place in the gym.

Commencement also featured for the first time Hobart faculty members dressed in their graduation robes leading the seniors into the gym.

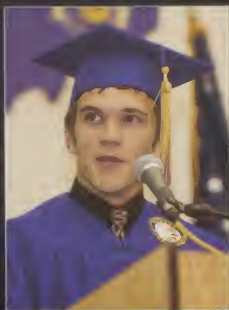

Mayor Leslie Gatewood welcomed the guests and then Mrs. Cathy Nelson and Mrs. Mickey Goodrich, Senior Class sponsors, made introductions. The class speech was given by Tim Staffeld, and then David Oros and Adria Green gave the treasurer speech and secretary poem, respectively. Then, Sally Kratkoczki, vice-president, and President Anthony Gomez spoke. The commencement address was then given by Mrs. Dawn Krull, athletic office secretary.

Next, Nick Trottier and Meredith White sang "The Climb," accompanied by Mike Erdelac and Nate Harrell on guitar. Following them, Mr. Terry Butler, school board member, and Mrs. Linda Buzenic, Educational Foundation, made comments to the class. After being presented by Principal David Spitzer and accepted by Supt. Peggy Buffington, the graduates received their diplomas from school board members who were aided by the assistant principals and guidance counselors.

The class sponsors then led the graduates in the turning of their tassels, followed by Wolfgang performing the Alma Mater, and then the band, along with members of the Rusty Pipes, played the recessional.

The Class of 2009 quote was "Success isn't a result of spontaneous combustion; you must set yourself on fire." The class motto was "Destined for greatness and meant to shine, we are the Class of 2009." The class flower was the purple Monte Casino and the colors were royal purple and lavender.

Delivering the Senior Class speech is Tim Staffeld.
